1 Underlined packs are counted as breeding pairs toward recovery goals.

2 Excludes wolves killed in control actions to address livestock depredation and lawful public harvest.

3 Does not include pups that disappeared before winter.

4 Collared wolves that became missing in 2009.

5 Agency lethal control whether under state or federal regulations. Includes wolves killed by private citizens to defend livestock or under terms of a kill permit.

6 Includes only domestic animals confirmed killed by wolves.

7 Pack did not exist on Dec. 31 2009 and is not displayed on the map; see pack narrative.

8 Number legally harvested by hunters in 2009; does not include wounding loss or illegal harvest

9 Four harvested wolves from the Cottonwood pack (a MT/WY border pack) shown in Table 2 (Wyoming and Greater Yellowstone Area)

Border pack shared with State of Idaho; dens in Montana and majority of time in Montana; sheep losses occurred in ID and are included in ID Table 3 livestock loss totals

% Border pack shared with Yellowstone National Park, Wyoming;majority of time in Montana
